ATR MAIL

Dear Eric:

I haven't heard from you for a while, so am double-checking on the California State Numismatic Association symposium on April 3, (Saturday), 1971, at the Walter H. Boyd Auditorium, 235 F. 8th St., Long Beach, California.

The plans are coming along well and a busload of collectors is coming up from San Diego for this occasion.

I am leaving on a trip for Israel about March 1st and need a couple of things from you immediately so I can set up the program and publicity for the forum. I need a couple of photos and title of your talk- if possible, by return mail. I had been expecting to hear from you about them as I had requested the photos back in 1970, but no doubt you felt you had plenty of time.

The General Chairman of the symposium is Richard Trowbridge, P.O. Box 14542, Long Beach, California 90814 and his telephone number is 213-433-5060. If you have any questions or assistance that you need, he will be most happy to help you. Please make a note of his phone number as it is not listed.

I will be in L.A. in ample time for the symposium, but I do not know what day as yet as I have some business to attend to in the East.

I know how wonderful you would feel if you knew the esteem in which you are held here in Southern California.

My kindest regards to you and your lovely wife.

Sincerely,

Maurice M. Gould

Dear Maury:

Thank you for your nice letter of February 15, 1971 reminding me of the speaking arrangement on April 3, 1971. Herb Bergen told me that he has been asked to be on the program too. I am planning to be present. The title of my talk will be "How Franklin Made Money More Plentiful." It will be illustrated with slides.

I am enclosing a few "mug" shots.

I certainly hope that you have an exciting trip to Israel and if you see my friend, Arie Kindler at the Numismatic Museum, please give him my best.

My wife appreciates your remembering her and I am trying to talk her in to coming with me to California.

Sincerely yours,

Dear Eric:

Thank you very much for the photos and the title of your talk.

I am certain that I will see Arie Kindler at the museum and will send him your regards.

It would be wonderful if you could get your wife to come out to California with you. After the forum we are all going on a special tour of the Queen Mary. This will be before it is opened officially about April 15th. In the evening we are going to have dinner on the S.S. Princess Louise, a ship that was brought down from Canada and is now anchored in the harbor at Long Beach. It is quite colorful and it is lovely to see the different ships going by at night.

Please be sure to contact Dick Trowbridge if you need any help at all. I know he will assist in any way possible.

If you wish, he will make reservations for you. He suggested some place in Long Beach, but most of our speakers in the past have stayed at the International Hotel.

We are looking forward to seeing you soon. Kindest personal regards.

Sincerely,

M. Gould

P.S. I believe the International Collectors Society ran into problems with their printer, but I have been told the book will be out in two weeks. It is good for the average collector or beginner. I was asked to write it on this basis, but with slides and good photos, I think it should be exciting.

None of the authors of the junior course have sent me their finished work as yet. I would like to recommend that it be eight to ten pages because when it is printed it cuts it down to a small amount of print. Take a few weeks more if you wish.

Dear Mr. Trowbridge:

As you may know, Morrie Gould asked me to contact you with respect to my talk on April 3, 1971 at the California State Convention.

I will have a few slides so that I would appreciate it if you would have a projector available. My slides will be normal 35 mm. slides mounted in 2x2 cardboard holders. I was never given the time when the symposium is to take place.

Is the auction going to compete with the symposium, or is the symposium in the afternoon?

Will you be nice enough to make a reservation for me at the International Hotel, in Long Beach, for Friday night and Saturday night.

Would you also let me know what day the dinner on the Princess Louise will take place and when the visit on the Queen Mary is going to take place.

You might also indicate to me how long a program you expect me to give. Should it be 25 minutes, 35 minutes, or what?

I look forward to many pleasantries while I am out there and if you need an earthquake to liven up the convention, I can arrange that, also.

Please let me hear from you as to the details as I would like to plan my activities promptly.

Sincerely yours,

Dear Eric:

Now that the time is near for your lecture at the C.S.N.A. forum, I am writing to ascertain if you will have time before or after the forum day for a get together. If compatible with your schedule, I would like to show you some of the Long Beach area attractions and talk books and numismatics with you. If your wife is with you I am sure our wives will enjoy joining us and sharing in our fun.

Let me know how we can fit in with your schedule and I hope you can set up a day or so either before or after the forum when you have time available. We will pick you up and return you to any place you wish. I know we will all enjoy it.

We will be waiting to hear from you.

Dear Charles:

It was very thoughtful of you to write me with respect to my visit to California. It will be a delight to see you. I plan to have a business appointment on Friday afternoon, April 2, in Los Angeles. I have written to Dick Trowbridge that I would probably sleep in Long Beach at the International Hotel on Friday and Saturday nights. Unfortunately, I do not know what time on April 3 I am to speak or when the other activities are planned and have asked him to inform me. Perhaps you know the schedule better than I, but in any event, I look forward to being with you independently either before or after the forum.

My wife will probably not be with me. I will try to telephone you before I leave St. Louis if I do not have enough information to write.

Dear Eric:

On behalf of the California State Numismatic Association, I wish to take this opportunity to thank you for being one of the speakers and contributing so much to make our symposium a success.

All the comments heard to date are, "sensational," and "wonderful," and we were very pleased with the response.

Thank you for placing this event in your busy schedule, and travelling such a distance. I hope you enjoyed being here as much as we did having you.

I am seldom ever entirely pleased with my forums or symposiums as I always want them to be better, but this one was perfect.

Jean and I send our best wishes and kindest regards.

Dear Eric:

It was a pleasure talking over the phone with you yesterday. As a follow-up on our conversation the 8th Annual Educational Symposium of the California State Numismatic Association will be held on the 20th of March, 1976 at the Holiday Inn in Fullerton, California. The first speaker will be introduced at 10:30 A.M. Between the second and third speaker we will take a lunch break, and after the fourth speaker there will be the usual question and answer period. Shortly after that there will be a general visitation time and a Happy-Hour, followed by a banquet scheduled for 7:00 P.M., all at the same site--the Holiday Inn.

We will have hotel reservations made for you on the evening of March 19 and also for the 20th at the Holiday Inn. When you have established your time table when you are to arrive at the Los Angeles Airport, please let me know in advance and we will have transportation there to bring you to the Holiday Inn in Fullerton. If you are planning on coming out early or staying later, I'll still be available for any assistance I may be able to give you. If Mrs. Newman would be coming with you, and I'm sure it would be a nice trip for her, please let me know in order to make the hotel reservations. Also, be sure to keep a copy of your plane ticket for presentation to Cal-State treasurer.

I will need the title of your talk in order to get a publicity flyer out as soon as possible, and a black and white photo of yourself for the brochure that will come out later. If you need further information please feel free to contact me at any time. The telephone number is [Redacted]

We appreciate greatly your willingness to be one of the featured speakers at this annual event of Cal-State. We all mourn the loss of our good friend and great numismatist-- Maury Gould.

Sincerely,

Bill W.

Dear Eric:

It is hoped your journey to St. Louis was an enjoyable one, and that you arrived home safe and sound.

On behalf of the CALIFORNIA STATE NUMISMATIC ASSOCIATION, I want to express my gratitude and appreciation for your contribution of your time, to come out to Fullerton, California, to be one of the four featured speakers at the 8th Annual Numismatic Educational Symposium.

Your topic, "Colonial Currency", was especially interesting, as well as being a timely topic during this Bi-Centennial Anniversary, and, after all, who else knows the subject as well as you do. Therefore, it is understandable why the audience was so attentive. The topic, and your outstanding manner of delivery captured completely the undivided attention of the audience.

This was, without a doubt, the best of our eight Symposiums. I have never known one where the audience-speaker contact was so much in evidence throughout the day. That feeling even carried on through the evening Banquet, and was especially noticeable during the Question and Answer period.

Eric, Thanks again for your unselfish contribution to a great stride forward in numismatics at the Symposium of C.S.N.A. We will be looking forward to seeing you again some of these days in the near future. A.N.A. in New York, if not sooner.

Ruth Phillips, the C.S.N.A. treasurer, mailed this check to me, to in turn mail to you, for she didn't have your address. With pleasure, I herewith forward to you.

The raves are still circulating around these parts in description of the high quality of the recent Cal-State Symposium and the outstanding speakers and presentations that were in evidence that day. By far the best Symposium of the eight that have been held--time well spent at a numismatic symposium--a great day, we'd like to see more of them, etc., etc. It will be long remembered as a great day in Cal-State history. We are sincerely thankful to you and the other three speakers for making it that great day.

The best luck to you always until our paths cross again.

Dear Mr. Newman:

Each year the California State Numismatic Association sponsors an Educational Symposium. These events were begun 24 years ago by Maurice Gould and have continued each year since that time. You spoke at one of our early events held in Long Beach, I believe.

The 1993 Symposium is scheduled in Fullerton, California (Orange County) on March 20, 1993; the week following the ANA Winter Conference in Colorado Springs. As this will be our 25th, we are going to make it a very special. The activities remain the same--four speakers; two before lunch and two following lunch. Three presenters have accepted my invitation. They are Clyde Hubbard of Mexico, Adna Wilde and Edward Rochette from Colorado.

Please accept this letter as an official invitation to share our speakers platform for our 25th Symposium. We would be honored to have you again. My address is on the letter head and my phone number is: (818) 335-3343.

You were very nice to ask me to speak at the California State convention next spring. I always enjoy making a presentation to a fine collector group. However, my plans for the spring are not yet formulated, and I must keep them open so that my wife and I can go traveling and schedule our family activities.

I suggest that you ask someone else so that you have a positive full program.

Thank you very much for asking me. I know you will have a very successful event.
